

# What Are the Different Offer Types in the Template Editor

You can create different offers while using the Template Editor. Here are some examples:

- 1 button template
- 1 button + email
- 2 buttons
- Timer
- Request feedback

The screenshot displays a 'New Template' editor interface. The main preview area shows a white card with a red border. At the top, it says 'YOUR LOGO'. Below that is a large heading 'SPECIAL OFFER' and a sub-heading 'This Offer is Limited! Grab your Discount!'. In the center, there is a timer '14 : 10'. Below the timer is a prominent red button with the text 'USE MY COUPON!'. At the bottom of the card, there is a link that says 'No, thanks. I would like to pay full price'.

Below the preview, there are two tabs: 'HTML' and 'CSS'. The 'HTML' tab is active, showing the following code:

```
1 <script type="text/javascript">
2   var timer = 900;
3
4   var interval = 1000;
5 </script>
6
7 <div id="template-container">
8   <div class="logo">your logo</div>
9   <h1>Special offer</h1>
10
11  <h2>This Offer is Limited! Grab your Discount!</h2>
12
13  <div class="el5 timer-element">
14    <span id="min-1" class="input_timer">1</span>
```

On the right side, there is a 'Choose Template' section with a grid of six template thumbnails. The second thumbnail in the second row, which features a timer, is highlighted with a red border. Below the grid are two buttons: 'RESOURCES' and 'INFO'.
