

How to Change Colors and Transparency of the Background Behind Popups Using Template Editor

You can change the color and transparency of the background behind popups by following these steps:

1. Under the Templates category on the left side of the dashboard, click on the Template Editor.
2. Add the following snippet to the html window:

```
<input name="wrap_background" type="hidden" value="rgba(0,0,0,0.45)">
```

3. Change the value field to your desired values:

HTML CSS

```
1 <link href='//fonts.googleapis.com/css?family=Open+Sans:300italic,400italic,600italic,700italic'>
2 <div data-em='modal-container'>
3   <img data-em='logo' src='https://system.picreel.com/img/your-logo-here.png'>
4
5   <div data-em='text-line-1'>Wait, we have a special offer</div>
6   <div data-em='text-line-2'>Enter your email and get 15% off!</div>
7   <input name='email' placeholder='Enter Email Address Here' type='email' required='required'>
8   <button data-em='button' type='submit' class='submit' id='submit-button'>GET MY 15% OFF NOW</button>
9   <div data-em='modal-close-link' class='close close-link' id='close-link'>No, thanks. I would not like this</div>
10 </div>
11 <input type="hidden" name="wrap_background" value="rgba(0,0,0,0.45)">
```

Click the *Save Template* button to save your template and refresh the preview.
