

# How to Manage Your Available Overlays

It is easy for you to create, edit, delete your templates as well as upload new images. To check your template status, follow these instructions:

1. Under the **Templates** category on the left side of the dashboard, click on **Template List**.
2. To delete a template - whether approved or otherwise - click the **Delete** link on the leftmost part of the table.

The screenshot displays a dashboard with a sidebar on the left and a main content area. The sidebar includes navigation options: Dashboard, Campaigns, Templates (selected), Visual Editor, HTML Editor, Template List, Leads, A/B Testing, Billing, Pricing plan, Orders List, and Affiliate. The main content area is titled 'AVAILABLE TEMPLATES' and contains a table with the following data:

NAME	STATUS		DISABLE CLOSE BUTTON
