

Does Picreel Have a Referral Program?

Yes. You can share your link and get a 25% recurring commission from each payment that your referred user sends Picreel.

To take advantage of our referral program, follow these steps:

1. Login to your Picreel account.
2. From your dashboard, click on the *Affiliates* category on the left side of your screen. You'll see the screen below.
1. Copy the referral link, which you can see on top of the page, right below the title. Send the link to the person you want to refer Picreel to. You can also share the referral link via Facebook or Twitter using the share buttons beside the link.

More about the Picreel Affiliates Program

- Enjoy Real-Time Reporting Available 24/7. You can easily go back to the *Affiliates* page to check the status on your referrals.
- The referred user must remain active for at least 1 full month.
- Old referrals are saved.
- Request money when you have a minimum of \$100 in your account. Press the *Request payment* button or drop us an e-mail with your Paypal account.

Please, note that the commission is granted only for accounts that are registered under your custom affiliate link, which is located under Affiliate section. Also, it is not granted if the newly registered account uses a website, which has already been used under another trial account.
