To change the submit/close buttons text,

or

please, change the text inside *Button text* and *Close link* and *Input field.*
4. Design

To modify pop-up design, including color, size, etc. press on *Edit HTML/CSS* and visit *CSS* editor.

```css
1  * {
2      font-family : "Open Sans";
3  }
4
5  html,
6  body {
7      margin  : 0;
8      padding : 0;
9  }
10
11 .container {
12     overflow        : hidden;
13     box-sizing      : border-box;
14     text-align      : center;
15     background-color : #F6F4F1;
16         height           : 500px;
17 }
18
19 .container .logo {
20     font-style      : italic;
21     margin          : 54px 0 40px;
22     text-align      : center;
23     text-transform : uppercase;
```

Background and button color can be easily changed on the right side of the screen.

5. AfterSubmit function

To set pop-up close option, please, visit *RESOURCES* on the right and *Select action after event: close.*

To redirect a visitor to another page once the submit button is pressed, please, select *Redirect* as an *Action after event* and insert redirect link.

Click *Save Template* when modifications are done.
