5. AfterSubmit function

To set pop-up close option, please, visit *RESOURCES* on the right and *Select action after event: close*.

The screenshot shows a configuration panel with a red 'RESOURCES' button and a blue 'INFO' button. Below these are two tabs: 'DATA' and 'EVENTS'. The 'EVENTS' tab is active, showing a dropdown menu for 'onPicAfterSubmit'. Underneath, there is a 'Select action after event:' dropdown menu with 'Close' selected, and a 'Message:' text input field containing 'Thank you for subscrib'. At the bottom of the panel is a 'CONTROLS' section.

To redirect a visitor to another page once the submit button is pressed, please, select *Redirect* as an *Action after event* and insert redirect link.
