

How to Create Popups Using Overlay Editor

To create a pop-up using the overlay editor, follow these instructions:

1. When you select an overlay, choose any design except the upload design. A preview of what the overlay looks like is shown at the top of the html code.

HTML/CSS Editor

```
<div data-em="modal-container" class="container" data-template-type="collect-email">
  <div class="logo-container hide-logo">
    
  </div>
  <div data-em="text-line-1" class="text-line-1">Wait, we have a special offer</div>
  <div data-em="text-line-2" class="text-color">Enter your email and get 15% off!</div>
  <div class="template-inputs">
    <input name="email" placeholder="Enter Email Address Here" type="email" required="required">
  </div>
  <button data-em="button" type="submit" class="submit btn-bg-color" id="submit-button">GET MY 15% OFF NOW</button>
  <div data-em="modal-close-link" class="close close-link text-color" id="close-link">No, thanks. I'd rather pay a full price</div>
</div>
```

2. Change the html/css code according to your needs.
3. Click the Save button to save your design.
